Subject: CFAC Anaconda-Revised Redline AOC After 8_25 Teleconference

Dear Mark,

Thanks for a productive call today. Following up on our teleconference, attached please find a revised AOC with CFAC comments to the following sections:

Paragraph 4. Although this proposed language is not something that we discussed in our call, we believe that it is consistent with our statements regarding the EPA Findings of Fact.

Definition of "Paragraph"

Paragraphs 16, 17, 18 and 19 per our discussion and

Paragraph 42.b. and 45. b. to reflect our agreement on that language.

Please feel free to contact me if you have any questions or would like to discuss.

Best regards,

Andrew
